SKIN GIFTS FROM THE HEART

Save 20% on Hydrators & Moisturizers

Dehydrated skin causes many skin problems and makes any existing skin problem worse.

Hydrators

Cell Protection & Repair Gel (CPR Gel) with moisture rich phospholipids, is wonderful for dry and aging skin. It has powerful antioxidants (green tea and superoxide dismutase) and soothing anti-inflammatories (aloe, chamomile, cucumber) to keep skin healthy. Papain, salicin & bromelain encourage cell renewal. Pineapple color comes from riboflavin. Designer Options: Pleasing Pineapple Gel (Joy Essential Oil) & Green Apple Gel (Apple Aroma and Green Color)

Combo Gel has panthenol and sodium hyaluronate for hydration plus botanicals credited with anti-aging, antioxidant, and anti-irritant properties (allantoin calendula, chamomile, cucumber, green tea, horsetail, papaya, and wild thyme). Designer Options: Lavaranium Sun Gel (Lavender & Geranium Essential Oils) & Lily Lavender Gel (Lotus Aroma and Violet Color)

Green Tea Gel gets its color from chlorophyll, a natural coloring agent that is credited with skin soothing and healing properties. This lightweight gel was formulated for oily and acne skins. It has antioxidants, botanical extracts, soy amino acids, and wonderful hydrators such as panthenol and sodium hyaluronate. Designer Options: Oil Calming Gel (Peace Essential Oil) & Ahh-SPA Gel (Spa Aroma and Blue Color)

Moisturizers

Rich Moisturizer is a super emollient cream that will leave skin feeling soft and smooth. The naturally derived yellow color comes from Co-Q10 and annatto. This unique blend of botanicals and vitamins help skin retain its youthful appearance while the antioxidants enhance and protect dry skin. Designer Options: Carrot Dream Cream (Peace Essential Oil) & Rich Herbal Cream (Herbal Aroma and Green Color)

Combo Moisturizer contains rich antioxidants, vitamins, natural moisturizing oils, soothing agents, and powerful hydrators. This white cream mimics the skins intercellular matrix and natural moisturizing factor to help optimize skin functions. Designer Options: Lemon Lift Cream (Joy Essential Oil) & Vino Moisture Cream (Vino Aroma and Violet Color)

Oil Free Moisturizer is a nice, light-weight white lotion that is easily blended into and absorbed by the skin. It has a triple pentapeptide complex, copper, and other cell communicating ingredients. Yellow color is from co-Q10. Designer Options: Peptide Essence Cream (Frankincense, Lavender, Ylang Ylang) & Feather-Lite Cream - Feather (Aroma and Blue Color)

Tip: Layer moisturizer on top of hydrating gel to combat dehydration, or if you are using serums, you can layer a 1/2 Hydrator & 1/2 Moisturizer mixture on top to seal in the benefits of the serum.
