

Skin Blends NEW & IMPROVED

OIL-FREE MOISTURIZER

Skin Blends Oil Free Moisturizer is now a light yellow color due to the addition of Co-Q10. It is the perfect for sensitive, acne and rosacea skin due to its ability to moisturize skin without using oils. It can also be used as a primer before applying make up or even mixed with mineral makeup and applied as a single step. The big bonus is now it offers collagen stimulating peptides to keep skin looking younger longer.

What is a peptide and why is it beneficial to the skin?

Peptides produce different biological effects by signaling cells to perform various functions by attaching to "receptors" found on the surface of each skin cell. Think of a peptide as a key and the receptor on your skin cell as a lock. The beauty of a peptide is that it will have no effect where it is not needed (no entrance).

What is a pentapeptide?

A pentapeptide is formed from five peptide fragments, composed from amino acids, which are the raw materials from which skin proteins are made. Pentapeptides are among the most elaborate biologically active molecules we can use to stimulate positive changes in the skin.

Oil Free Moisturizer is our same popular unscented formula with the following additions and/or improvements:

- **Paraben Free**
- **Triple Anti-Aging Pentapeptide Complex** to stimulate collagen:
 - Palmitoyl Pentapeptide-4
 - Myristoyl Pentapeptide-11
 - Myristoyl Pentapeptide-8
- **Co-Q10 (Ubiquinone)**
 - Increases skin's natural ability to renew itself
 - New light yellow color
- **Arnica Extract (Arnica Montana Flower)**
 - Calms skin inflammations, promotes circulation, may promote removal of wastes from the skin, and aids in the promotion of new tissue growth.
 - Skin conditions that may benefit include acne, reddened (weak capillaries), damaged, and tired or lazy skin.
- **Cucumber Extract (Cucumis Sativus Fruit)**
 - Soothing, refreshing, anti-inflammatory, tightening
 - Contains amino acids & organic acids to strengthen skin
 - Excellent for stressed, oily skin, and burned skin

Complete Ingredient Deck: Deionized Water, Caprylic/Capric Triglyceride, Glycerin, Glyceryl Stearate, Stearic Acid, Polysorbate 60, Cyclomethicone, Stearyl Alcohol, Butylene Glycol (and) Carbomer (and) Polysorbate 20 (and) Palmitoyl Pentapeptide-4, Dimethicone, Phenoxyethanol (and) Caprylyl Glycol (and) Ethylhexyl Glycerin (and) Hexylene Glycol, Myristoyl Pentapeptide-11, Myristoyl Pentapeptide-8, Cucumis Sativus (Cucumber) Fruit Extract (and) Arnica Montana Flower Extract (and) Anacyclus Pyrethrum Root Extract, Ubiquinone, Aloe Barbadosis (Aloe Vera) Leaf Juice, Allantoin, Panthenol, Carbomer, Triethanolamine, Tocopheryl Acetate, Retinyl Palmitate, L-Ascorbic Acid, Disodium EDTA.
